A screenshot from the game Delude. The left side shows a 2D maze with green and yellow walls. The right side shows a 3D wireframe model of the maze. In the top right corner, the timer shows "01:42" and the coordinates "X:31 Y:32 Z:39 W:10" with "Number of Moves: 183". Below the wireframe, it says "The minimum number of moves possible is:111". At the bottom, there are two cross-shaped diagrams with colored squares and arrows. The left diagram has a black center square with red squares on the top, bottom, and right, and a white square on the left. The right diagram has a black center square with green squares on the top, bottom, and right, and a white square on the left. Arrows point from the center square to each of the four directions. At the bottom left, it says "No best time exists for this game mode". At the bottom right, it says "To pause the game press P key" and "To go back to the main menu press ESC".
